WE ARE HERE

Mataró Marina Barcelona® is the nautical base of the north coast of Barcelona. Located on the western wharf of the port of Mataró*, it is an extremely tranquil and safe **marina designed to accommodate super-yachts from 20 to 60 metres**. There are 30 berths between two quays that are now completely operative with full services.

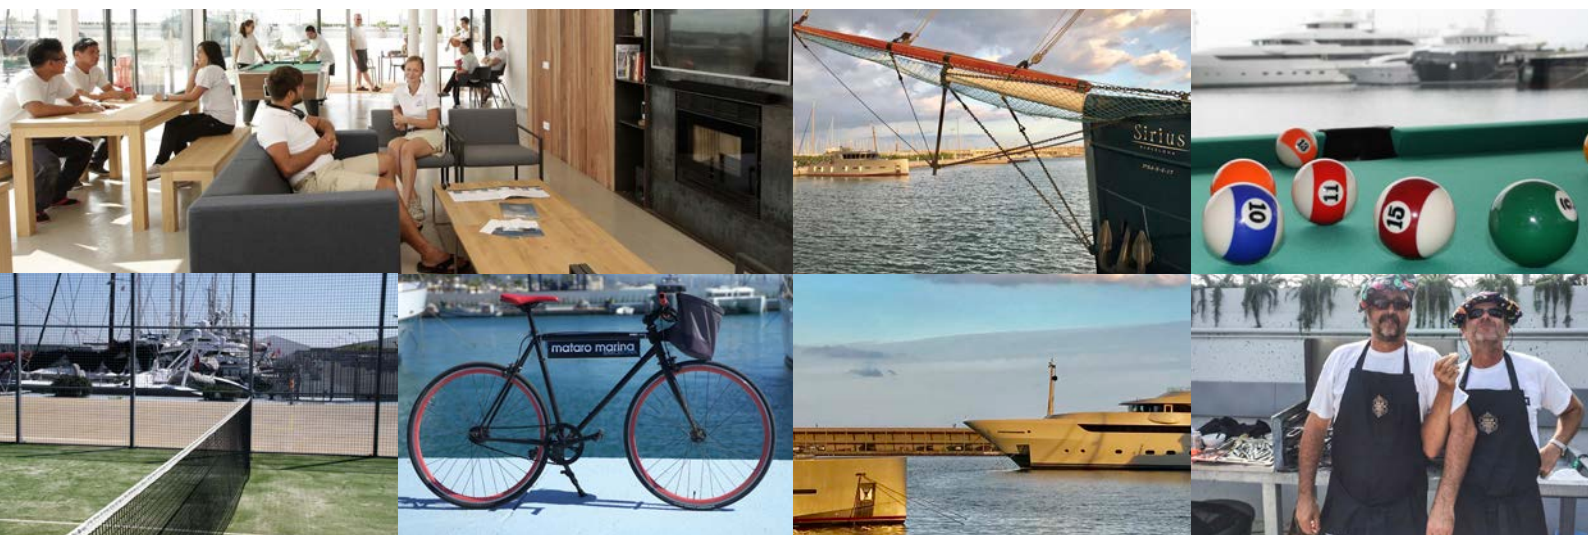

The marina is managed by **Varador 2000®**, and has extensive facilities that include the Sirius Club equipped with leisure activities of all kinds, a training area for carrying out yacht advanced courses, a sports area with paddle tennis courts and basketball training, a leisure area with a large barbecue and bar-vending.

*Mataró: capital city of Barcelona's northern coastal area. A city of 125,000 inhabitants with a huge range of shops, tourist attractions, gastronomy and cultural activities. Mataró also has a university campus (Tecnocampus) that offers nautical business studies. Mataró offers visitors excellent healthcare facilities, is well-communicated (train, motorway and main road) with lovely beaches and great boating facilities.

THE SIRIUS CLUB IN FRONT OF THE SEA

With a direct view over the marina and your yacht. An exclusive area **for marina users** equipped with totally free services (fireplace, satellite TV, billiards, table football, board games, darts, library, news service, etc.).

The perfect place to relax, have a quiet drink, chat with friends or play games and be entertained. The Sirius Club also has a vending/ bar service. At our Sirius Club you can watch Champions League or NBA matches live, as well as Formula 1 and Moto GP in a relaxed atmosphere and in great company.

Something tells us that **you will love our Sirius Club**
